“ Theresa and I never really hung out together, but every time we did see each other we always talked about going to lunch. I'm so sorry, that we never made that happen. When I think of her, all I picture is how upbeat and funny she was. Always laughing, whether it was at someone or with someone! She was full of life, had a heart of gold and she will be truly missed.

“ Terry and I and hers brother grew up together, hung out and did some crazy stuff when we were kids. We kept in touch over the years and always had great laughs of the silliness we did. She's in heaven. She's an Angel. God bless you my buddy. Rest in peace my dear. My heart goes out to her Family. Claudia 🌸

“ We were neighbors. Terry was one of the bunch of the bunch of kids who were always up to things. At that time we were all part of the same - somewhat dysfunctional - family. I hold fond memories of those times. I'll bet my kids do too.

“ Terry and I were very close in elementary school. I'll never forget her tossing up handfuls of candy at recess for all of the kids. I have quite a few other memories but wish, so much, that I had memories with Terry as adults. I did have the chance to catch up with her on the phone a few years ago but thought I had so much more time to make that "get together" happen. I hope she knows that she was in my thoughts over the years that flew by and that she will always and forever be in my thoughts and heart! R.I.P. Terry!

“ I met Theresa in May of 2016 as we set out on our journey. I learned a lot about her life during our short time together. Theresa was a blast to be with! She taught me how to put chinese hot sauce on damn near everthing! She always put a smile on my face and in my heart. Someone so special can never be forgotten.

“ She was a bright light and had a tremendous spirit. She was also ready to punch your lights out if you disrespected her. There was no mean streak. Just love for those who would love her back. Saying she was tough would be a complete understatement. Thinking she was weak would be your biggest mistake. She had your back and your imagination. She was no saint but certainly reached out and helped to better sinners. She bettered me. She bettered the lot of us---Patrick Snyder

“ It is impossible to adequately express my sincere sympathy at this most difficult time. I had worked very closely with Theresa in the office. Therefore, I feel that I lost a very good friend as well as fellow co-worker. My sincere condolences to Mike and her family. Bozana

“ I worked with Theresa for a short period of time, but she started everyday with a smile. She talked about her family and the good times she would have with them. I am very sorry for your loss.

“ Terry is now at peace. It's those who loved her, who will now suffer. We will suffer the loss of this beautiful spirit. As someone mentioned at the service, she always smiled. She was so full of life, it was difficult to watch her suffer so. She fought the hardest fight, but in the end, cancer won. Looking at all the beautiful photos of her, I cannot comprehend that she is no longer with us. I will continue to look at her smiling face and always remember. Love you Ter!
